American Sign Language

Grade: 3-5

Description of our Tour:

Expose your students to the wonderful world of signing! This passport, taught by a certified teacher of the deaf, will introduce your students to the basic principles of American Sign Language. Students will learn the history of American Sign Language, basic Sign Language structure and some conversational signing they can do themselves. Join us for an exciting passport that will have you signing all the way back to class!.

Information for Trip Leader:

Lesson Outcomes:

The student will:

- Learn about the basic structure of American Sign Language
- Understand how American Sign Language is used
- Be given some information about deaf people

Activities:

Activity # 1: How do I introduce myself to a deaf person?

First impressions can last a lifetime. When a hearing person is meeting a deaf person for the first time it is helpful to know some basic signing to introduce yourself. This worksheet reviews the proper etiquette for introducing yourself to a deaf person.

Activity # 2: Practice Signing

This worksheet provides signs for the members of the family along with step by step instructions on how to sign each word. You and your students can practice before or after watching the live passport.

Challenge Questions:

1. Who uses American Sign Language?
2. Can hearing people learn American Sign Language?
3. Is American Sign Language a real language?
