Firefighter
Curriculum Guide grades PK-2**

Brave Fireman Song

**This brave fireman is going to bed
*hold up right thumb***

**Down on the pillow he lays his head
*right thumb on left palm***

**Wraps himself in his blanket tight
*curl fingers around thumb***

**And plans to sleep this way all night
*close eyes***

**But the fire alarm rings! He opens his eyes!
*open eyes***

**Quickly he's dressed and down the pole he slides
*right hand slides down left arm in a grip from elbow to wrist***

**Then he climbs on the truck to go, go, go.
*hands steer steering wheel***

He puts out the fire so back to sleep he can go!

Activity #1

Make a list of clothes and gear used by firefighters using words or pictures.

Activity #2

Work with classmates to make a list of skills needed to be good firefighter? Put a check beside the skills you can practice every day in the classroom.

Activity #3

Ask your teacher or principal to invite a firefighter to speak to your class or the whole school.

Activity #4

Besides putting out fires, what are some other things firefighter must do as part of their job? Draw a picture of a firefighter doing something besides putting out fires.

Find All the circles in the picture below

Name _____ Identifying circles

Down the Pole

Color the circles.
