Activities For Little Monkeys!

Activity 1:

Interview friends and family and find out if they know any jokes about monkeys. You can also make up your own. Once you have collected the jokes, create a joke book with illustrations.

Activity 2:

There have been many famous Monkeys in history. Research famous monkeys and select one to write a paper on. Share the information with your class with a presentation or a podcast. (a list of famous monkeys is [here](#))

Activity 3:

Look at the pictures below and decide what type of baby primates these are. Research some facts about these primates. Write a short story about these three babies growing up together.
